

Pwerdy/ Powerhouse Art Gallery Hire Information

About the Centre and gallery.

Our Community and Art Centre Gallery is supported by volunteers from our local community and we provide a high quality environment and a choice of spaces either in the `Teifi room`, Tyweli room or in the covered balcony area. Every room has a professional hanging system. Each space is a different size so we would suggest that if you require an accurate measurement, please feel free to contact us to arrange a day and time to take your own measurements. We also have a fully functioning kitchen with a small fridge and microwave for your use. We ask people to make donations for tea/coffee if using our stock or to cover our costs for the use of electricity.

The centre is set up for you to exhibit and invigilate your own exhibition. We are not able to offer a card or pay machine for any sales payments direct to artist. The rooms are suitable for workshops, talks and demonstrations. Tables, chairs and a projector (projector available for hire) are all available on request. We also have a computer (password available on request) and printer in the kitchen/office space for your use. There is a reasonable charge for the use of any printing needed.
